- **CREDIT:** All applicants are subject to approval through a third-party applicant screening agency. Approvals are based on an empirical system that incorporates various credit factors along with other non-statistical scoring factors to determine overall applicant worthiness. The primary criterion used to determine rental decisions is a statistically based Leasing Desk Score, which is a cumulative analysis from several statistical indicators that calculates an applicant's overall credit score and then rates the applicant from 0 to 1000. **Leasing Desk Score Results: 0-249 Fail; 250-1000 return Conditional; and 250-1000 Pass.** In addition to the Leasing Desk score, the following categories (a-d) will automatically Fail/Deny an applicant: **(a) Three or more Eviction Filings** less than or equal to twelve (12) months. Furthermore, the following auto score categories (b-) will return for Conditional review by a Regional Manager or Director of Compliance: **(b) Landlord debt/Rental history balances (c) Unpaid gas, electric, water and sewer utility accounts (d) Fraud Alerts.** Conditional approval may be considered if applicant provides verifiable evidence that their Landlord debt/Rental balance and/or Utility balance(s) have been paid in full. Should an applicant be approved with conditions, conditions must be met.

 - Nonviolent misdemeanor convictions;
 - Violent misdemeanor convictions and nonviolent felony convictions that are over three (3) years old at the date of screening; and
 - Violent felony convictions that are over five (5) years old at the date of screening.
 3. Charges that are pending for eligible crimes at the time of screening may be considered, subject to the "individualized" assessment described in #5 below.
 4. If a member of an applicant household has been convicted of a felony offense or violent misdemeanor offense during the applicable "further review period" (dated from the day of conviction), the housing provider may choose to consider that record in determining whether to accept or deny an applicant household based on the criteria in #5 below.
 5. The housing provider will conduct an individualized assessment of the criminal record and its impact on the household's suitability for admission. This individualized assessment should include consideration of the following factors:
 - The seriousness of the case, especially with respect to how it would affect other residents;
 - The effects that denial of admission may have on other members of the family who were not involved in the action or failure;
 - The age of the household member at the time of the offense;
 - The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or a victim of domestic violence, dating violence, sexual assault, or stalking;
 - The length of time since the violation occurred, with particular weight being given to significant periods of good behavior, as well as the family's recent history, and the likelihood of favorable conduct in the future;
